**ADMINISTRATIVE LAW JUDGE'S RULING ENTERING  
AMENDED STOCKTAKE INTO THE RECORD**

**Summary**

This ruling enters the amended stocktake prepared by Southern California Edison Company (SCE) and served on September 18, 2019 into the record of this proceeding.

On May 31, 2019 SCE served a stocktake document summarizing zero-emission vehicle-related proceedings, rulemakings, programs, and incentives; including the status of the proceedings and programs, and any upcoming decision points if applicable. It also included California and federal tax incentives. The SCE stocktake was entered into the record of the proceeding via ruling on June 17, 2019, and party comment was sought on the stocktake. SCE served a version of the stocktake amended in response to party comments on September 18, 2019.

This ruling accepts the amended stocktake into the record of the proceeding. No further amendments to the stocktake are required at this time.

**IT IS RULED** that the amended stocktake attached as Attachment 1 is entered into the record of the proceeding.

Dated November 13, 2019, at San Francisco, California.
